Welcome to summer school at Språksenteret!

Your child will be attending the intensive Norwegian course with friluftsliv (outdoor life) for newly arrived students. We will be hiking every day, and we plan to walk in the city, by the fjord and in the woods.

Your child will need the following every day:

- Pencil case
- Clothes suitable for outdoor activities in all types of weather and terrain, for instance: a warm sweater, comfortable trousers, waterproofs, shorts, t-shirt. We can't predict the weather and need to be prepared for every eventuality. We will be outside every day even if it rains.
- A change of clothes
- Shoes suitable for hiking
- Sunscreen
- Lunch and water bottle*

*It is important that your child brings enough food and drink. We recommend food and drink for at least **two meals**. For example 2 big packed lunches + nuts, fruits and other snacks.
